

Annotated Marked-up Drawing

1. make drawing a cut away to show parts more clearly
2. Remove Circles
- 3 Remove Text
4. Renumber.

**Figure 1. High Temperature Pressurized Loop (HTPL)
Solar Heat Transfer System**

Annotated Marked-up Drawing

Annotated Marked-up Drawing.

Figure 3. Pressure Actuated Collector Cooling System which allows air to cool the collector if fluid flow stops or is not enough to stop boiling

BLB-09 -92396, Rev. 9/24/01

46 of 47

1. move to new figure 5
2. Remove circles
- 3 Remove text
4. Rerumber

1. Revise Radiator to show one tube with fins.
 2. Remove circles
 3. Remove text
 4. Renumber

Figure 4. Boiling Activated Collector Over Temperature Protection System

BLB-08-92396, Rev. 2/22/02
